Subject: RE: initial FTA comments on AFEIS

Hi Faith,

Many of the comments came from the PMOC and Jim Barr (who is out of the office this week upcoming), so a call with Ray and I might not shed much insight, depending on the question. However, if you can email me the comments under questions and where you need clarification I will track down the author and get answers for you as soon as I can. Maybe in the meantime you can work on the ones that were clear, but email me as soon as you can with the ones with the uncertainty.

Hi Ted -

Many thanks for providing us an advance copy of the comments that you have compiled thus far. We certainly appreciate your allowing us to get a move on the responses. Any idea as to when we will receive the final set of comments? Do you anticipate a lot more comments?

Also, we have some questions on some of the comments that you transmitted. Can we schedule a conference call to discuss these comments as soon as possible? We can do Monday 8:30 - 9:30 a.m. or 10:30 - noon, Tuesday afternoon (Hawaii Time) or Wednesday anytime. Please let me know.

Thanks again.

Faith

Hi Faith,

Here's our initial set of comments on the AFEIS.

Be advised there likely will be more comments so this is not comprehensive or final. This is being transmitted as a courtesy to allow you to begin preparing your response to comments.

Let me know if there are any questions.

Ted
